P.O. Box 1750, 864 Christie Avenue, Pincher Creek, Alberta, T0K 1W0

St. Michael's School 2024-2025 High School Math & Science Supply List

2-inch binder	Package of 4 white board markers
Dividers	Math instrument set (ruler, protractor, compass)
Lined paper	Felt pens
Graphing Paper	Pencil crayons
80 page coil bound notebook	Glue stick
Pens, blue or black ink	Scissors
12 Pencils or mechanical pencils	Pencil Crayons & or Markers
2 White erasers	

Students also might need a **Graphing Calculator** depending on their program stream:

- required for students in Math 20-1/20-2 and 30-1/30-2 and strongly recommended for students in Math 10C
- It is preferred that students purchase a TI 83 or TI 84 calculator as teachers have the most experience with these devices and can better help students learn to use their device effectively to solve programs.
- TI 83 and TI84 are approved devices for all Math and Science diploma exams in grade 12.
- New calculators are expensive, so please consider asking friends who have graduated if you can purchase their devices or look online on kijiji or buy and sell. Many second-hand options are available.
- FNMI students have the option to sign out a graphing calculator for the semester.
