

Principal's Message:

Dear Parents and Caregivers,

Recently, I joined other administrators from across the province at the Blueprints Conference in Kananaskis, where the keynote speaker, David Wells, focused on the topic of hope. Spending four days immersed in this well-deserved pause to reflect on our mission in Catholic Education has revitalized me and inspired a renewed commitment to bring positivity, gratitude, and hope to our school community as we look ahead.

During our May PD Day, our staff took time to honour Pope Francis in his passing and to realign our vision as Pilgrims of Hope. As Pope Francis said,

"Everyone knows what it is to hope. In the heart of each person, hope dwells as the desire and expectation of good things to come, despite our not knowing what the future may bring."

(Spes Non Confundit #1)

Principal's Message:

In this busy season, the arrival of spring and warmer weather also promises good things to come. Despite the many daily challenges, difficulties, and hardships we may face, I've been reminded that hope lies beneath it all—deep within us is a seed of hope connected to our faith. As our hope grows, so too does our faith, our mindset, and the world around us. Let us never lose hope! Life is good, God is good, and He has blessed us abundantly this school year.

As we dive into the final weeks of the school year, it is more important than ever to remain positive, supportive, and encouraging. Let us continue to inspire our children to attend, work hard, and do their best. The more we place our hope in them, the more they will continue to shine.

And in all that we do, may God continue to bless St. Michael's School.

REMINDERS & INFORMATION

Leaving Early?!

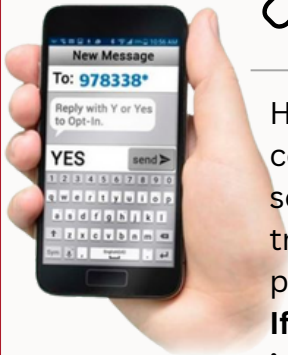

If your child needs to leave school early, please notify the office at 403-627-3488 as early as possible. Please also make sure you sign your child out in the office when they are leaving early!

Arriving Late?!

Please stop in the office to sign in if you arrive to school late! Elementary school students are considered late after 8:30am, and Junior/Senior High students are considered late after 8:40am.

School Communication

Holy Spirit Catholic School Division uses SchoolMessenger to improve our schools' communication with parents and guardians. This service does not replace other school communication methods. It is simply intended to extend beyond what we've traditionally used to ensure timely communications and reduce the amount of papers being sent home.

If you would like to receive text messages for school closures please click here for instructions and more information!

Understanding Assessment & Reporting

Grades 1-6

It is important for parents/guardians to understand how their children are doing in school. Research shows that students are most successful with active parent/guardian involvement in their learning.

Assessment happens every day, in every classroom, throughout the school year. Assessing a student's progress is one of the most important ways teachers support the continued learning of our students. Throughout the school day, students engage in learning tasks, activities, and discussions that have been designed by a teacher. Each learning opportunity is connected to the learning outcomes from [Alberta Programs of Studies/Curriculum](#). Teachers regularly use a variety of assessment methods to collect and interpret information about what students know and can do in relation to the intended learning outcomes. The primary purpose of assessment is to **improve student learning**.

Assessment:

- ➡ Guides the development of learning tasks
- ➡ Promotes learner engagement and adaptive learning strategies
- ➡ Leads to adjustments in instruction
- ➡ Is shaped by the nature of the learning outcomes

During a unit of study, students have multiple and varied opportunities to develop, demonstrate, check, and refine their understanding of learning outcomes. Throughout this process, teachers and students engage in formative assessment; a way of checking learning to decide what to do next. Teachers provide timely and descriptive feedback and plan for next steps in learning based on the needs of their students. Students participate in developing criteria for learning tasks, monitor their own progress, provide feedback to their peers, and identify goals and strategies to support their own growth and progress.

What is your child learning in school?

Alberta Education has a resource for parents/guardians who want to know what students are learning at each grade level. Visit [New LearnAlberta](#) to see what your child is learning!

How is my child doing in school?

It's important to know how your child is doing in school. Knowing more about your child's interests, strengths and areas for growth are critical to help you support their learning. Conversations with your child's teachers and the school administration team are great places to ask questions and discuss specific concerns. Beyond these conversations and the ones you have at home with your child, there are a number of ways you can learn more about your child's learning, progress, and achievement.

Where can I find information about how and what my child is doing at school?

Regular communication between you, your child, and their teacher builds an understanding of student achievement over the course of the year. Communication can happen in a variety of ways throughout the year.

- Ongoing reporting through our digital portfolio platform, SpacesEDU, helps you understand how your child is progressing and learning toward grade-level outcomes.
- Informal communication occurs on an ongoing basis and serves to build shared understandings of what students know and can do in day-to-day learning experiences.
- Individual Student Plan (ISP) meetings, office hours, student learning conferences, and/or parent/teacher conferences

- General programming information shared throughout the year (via SpacesEDU or other methods) helps you understand what your child is learning and demonstrates some of their learning experiences, but does not provide details about individual student progress and achievement (e.g., field trips, celebrations of learning, student performances, agendas, etc.)

What does my child's SpacesEDU portfolio tell me?

The SpacesEDU portfolio is an ongoing communication tool about your child's learning. Both teachers and students are encouraged to create posts that share details about the learning but also communicates achievement over time. Most of the posts on your child's SpacesEDU portfolio will include the following components:

- Evidence of the student's work/learning (this may be a photo, video, audio recording or link to a file the student created)
- Curriculum Outcome(s) addressed by the project/learning activity
- Proficiency Scale with an achievement indicator to let you know where your child is at that time in relation to achieving the intended learning outcome
- Feedback/comments from the teacher to indicate areas for growth and suggestions on how to improve

Some SpacesEDU posts may include:

- A rubric that identifies the success criteria of a given learning task/assessment
- A student reflection on their learning
- An opportunity for parents/guardians to respond to the post

What is the Proficiency Scale?

The Proficiency Scale contains the achievement indicators used to describe to what extent a student has demonstrated achievement of Alberta Curricula outcomes. When a teacher attaches an achievement indicator to a post in your child's SpacesEDU portfolio, it serves as an indication of where the student is at a given point in time. The same outcome(s) may be revisited and reassessed throughout the year. Often the achievement indicators will be accompanied by teacher comments, specific to your child's growth, in the SpacesEDU portfolios.

Not Yet	Basic	Proficiency	Excellent
<p>The student has yet to demonstrate an acceptable level of performance in relation to the learner outcome(s). Evidence may be vague or undeveloped. Targeted adjustments to planning and instruction will be necessary for further learning in this area.</p>	<p>The student demonstrates the required level of performance in relation to the learner outcome(s). The student may not demonstrate the required level of performance consistently or may require support. Evidence may be adequate and/or concrete. Adjustments to planning and instruction may be necessary for further learning in this area.</p>	<p>The student demonstrates a good level of performance in relation to the learner outcome(s). The student consistently demonstrates this level of performance. Evidence may be clear and/or well-reasoned. Students achieving this level can be confident in being prepared for further learning in this area.</p>	<p>The student demonstrates an outstanding level of performance in relation to the learner outcome(s). The student consistently demonstrates this level of performance. Students achieving this level have excellent demonstration of grade level outcomes and can be confident in being prepared for further learning in this area.</p>

Holy Spirit Catholic School Division

2025/2026 REGISTRATION

Re-Registration Starts January 13, 2025

Families with students currently enrolled in our system should expect an email during the week of January 13-17, 2025 asking that the online "Registration Update Form" be completed for each child attending one of our schools in the 2025/2026 school year.

Parents/guardians who are hoping to register younger siblings new to the division will also have the opportunity to do this at the same time that they re-register older students.

New Student Registration Starts February 3, 2025

All Early Learning to Grade 12 students who are new to the division and wish to enroll for the 2025/2026 school year are invited to register online starting on Monday, February 3, 2025.

- Through play, our **Early Learning Program** is designed to stimulate the growing curiosity of children 3 and 4 years of age.
- **Kindergarten** is designed for children 5 years of age on, or before, December 31, 2025.
- **Grade 1** registrants must be 6 years of age on, or before, December 31, 2025.
- **French Immersion** is also available. Enrollment starts:
 - in Kindergarten/Grade 1 at École St. Mary in Lethbridge.
 - in Grade 1 at St. Michael's School in Pincher Creek.

Welcome to Spring!

Anthea Boras, Deputy Superintendent

Welcome to Spring! *"See! The winter is past; the rains are over and gone. Flowers appear on the earth; the season of singing has come."* — Song of Solomon 2:11-12

As the seasons change, it's a great time to refresh our focus on well-being and renewal. We are fortunate in Holy Spirit School Division to have 100% employer-paid benefits through the Alberta School Employee Benefit Plan (ASEBP), which provides valuable resources to support our overall wellness.

This month, ASEBP's Employee and Family Assistance Program (EFAP) is rebranding to GreenShield Health. If you haven't already, you should receive a welcome email directly from GreenShield. Please note that this is a branding change only and does not impact the programs and services offered. You can learn more about EFAP [here](#).

In addition to EFAP, ASEBP offers a variety of wellness resources to support your whole-person well-being. Their Wellness Program provides access to mental health supports, financial wellness resources, and health coaching. You can also explore tools for physical wellness, including virtual physiotherapy, nutrition guidance, and digital fitness programs. ASEBP's [Wellness Hub](#) features articles, webinars, and self-care strategies to help you maintain balance in all aspects of your life.

As we step into a new season, take some time to prioritize your well-being and explore the many resources available to support you.

God bless ~ Anthea

Holy Spirit Division News

Help us **Build** a Classroom for St. Odilia School for the Visually Impaired

Holy Spirit Catholic School Division is committed to building up the kingdom of God, and creating Christ-centred learning communities where students are cherished and achieve their potential. In this year's faith plan, *Build! Pilgrims of Hope*, we are reflecting on the passage from Nehemiah 2:18:

I told them that the hand of my God had been gracious upon me, and also the words that the king had spoken to me. Then they said, "Let us start building!" So they committed themselves to the common good.

As part of our common commitment to putting our gifts at the service of the common good, and our examination of Catholic Social Teachings and the Corporal Works of Mercy this year, we have partnered with Chalice in building a new classroom block for St. Odilia School in Zambia. St. Odilia School is a Catholic school run by the Sisters of the Child Jesus. Chalice, the Canadian Catholic child sponsorship organization, has been supporting St. Odilia since 2011 as part of their Kawambwa sponsor site. Over that time, Chalice has installed water and solar power in the school, launched a robust school farm, and supported their campus meal program. Hundreds of Chalice sponsored students attend St. Odilia, as it is one of very few schools in Zambia that serves children with visual impairments, physical disabilities, and albinism. Enrollment is increasing yearly, which means that the school's infrastructure cannot accommodate all of their students comfortably nor offer all of the programs that would support the needs of their students. Our project seeks to build a new classroom block of three classrooms and two offices that would support present students and allow future growth. If you have questions, would like more information, or would like to partner with us in this project, please contact Aaron Skretting at skrettinga@holyspirit.ab.ca or 403-327-9555.

Let all things be done for building up.

Cell Phone & Personal Electronic Device Policy

(Implemented Jan. 07, 2019/Updated May 2024)

Rationale

Cellphones **are not** considered acceptable devices for educational learning purposes. Although many students have iPhones, and Android phones, iPods, and smart watches, they do not meet the necessary requirements as an accepted learning device. St. Michael's School has Chromebooks, Laptops and iPads available for student use throughout the day.

During Class Time:

Elementary- No cell phones or PED's including smart watches.

Junior High School- Cell phones/PED's can be used on Phone Friday during nutrition break. (Gr 9 allowed their phones during lunch time in the Den)

High School - Cell phones can be used during breaks and spares.

Cell phones and Personal Electronic Devices (PED's) which are brought to school are expected to be placed into the classroom bin at the beginning of every class. Students also have the option to keep their phone 'out of sight' and silenced in their pocket/locker. If the device is visible during class time at all disciplinary action will be taken. This also includes use of smart watches- notifications must be turned off to be worn during instructional time.

Failure to adhere to school protocol surrounding responsible use will result in the following discipline:

1st offence – ➤ cell phone taken away and placed in the office. The device will be returned to the student at the end of the school day.

2nd offence ➤ cell phone taken away and placed in the office. Student will meet with administration prior to having their cell phone returned.

3rd offence ➤ cell phone taken away, placed in the office and returned to parent/ guardian.

Administration will meet and contact parent / guardian to discuss acceptable use and to return the device.

Images/Audio:

Devices capable of capturing, transmitting, or storing images or recording and storing audio **may NOT** be operated in restrooms, dressing rooms, or other areas where there is a reasonable expectation of privacy. Phones must be secured prior to entering the change room.

Under NO circumstances shall any video, picture capturing or audio recording device be used in any classroom without the express consent of the teacher and school administration. Special consideration shall be given to protect the privacy of students in the classroom if such permission is granted. Operation of any electronic device is prohibited in testing situations or where testing materials are present.

St. Michael's School Prayer

*Father, we give You our school,
May it be a place where we love to
learn and learn to love;
a place where everyone is
respected, and all are cherished.
St. Michael, give us the courage to
stand up for others as you did.
Unite our school family in love,
truth and compassion.
Walk with us, guide us, and protect
us, as we become who you want us
to be.*

Amen
